## GOLF, CHOWDER, STAG STUNT, MOONLIGHT, DANCES AND FOOTBALL

Today's doings at the country club are large and illuminated. This afternoon, as soon after the hour of one as the players may be prepared, there will be a golf tournament between the "Republicans" and the "Democrats," nor will the results necessarily follow the example of the election.

Tom Gill bosses the Reps and H. B. Giffard leads the Dems.

Following the tournament there will be a chowder at the club house and a smoker will succeed the feed.

Those drawn for the golf tournament are:

Republicans—Thos. Ghi (capt.), F. Armstrong, W. Simpson, H. C. Carter, E. J. Waterman, J. D. Gaines, C. S. Weight, A. E. Ewart, S. Beardmore, W. Woon, J. D. McInerney, P. L. Harwood, H. Waldron, F. T. P. Waterhouse, H. Spencer, J. Farwell, H. A. Walker, J. G. Spencer.

Democrats—H. B. Giffard (capt.), G. H. Angus, H. H. Walker, J. O. Young, John Evans, F. Halstead, E. M. Campbell, F. C. Smith, M. A. Robinson, D. W. Anderson, W. W. Thayer, W. C. Wilder, A. S. Mahaulu, H. F. Wichman, Prince Cupid, M. Phillips, G. F. Davies, F. L. Waldron.

Terpsichorean tantalizations and moonshine is the prescription for the winking region bounded on the kona side by the Moana Hotel, on the city side by the Seaside Hotel, on the wet side by the sea and on the high side by the mountain, this evening.

The dances and moonbeam stunts of the Outrigger Club will draw the pleasure-loving to the sandy slope and the waxed floor.

At 8 p. m. begins the junior dance and the senior at 9.

Kenneth Atkinson and others will take out canoe parties to come rushing back over the surf to the tune of vari-colored fire.

Illuminated surf boards will astonish and charm. Mrs. W. M. Graham will be queen of the camp fire on the beach.

As there were not the accommodations for all who desired to go on the yacht cruise to Waianae, the committee

tee has decided to call off the moonlight trip for this month. Some of the yachts were not in commission.

The yacht Helene has rightly been given the Beckley cup. On June 24 the race was held and the Diamond Head stake boat, it will be remembered, was not in position on time and there was nothing for the yachts to round until a launch arrived. The race was called off, but further consideration awarded the cup to the Helene, Fred Whitney, Skipper, Whitney in every way deserving the trophy.

The first eleven of the High School and Punahou will meet on the Alexander field this afternoon. The large boys will follow yesterday's junior football event, an exhibition well worth seeing. Yesterday's game was a tie, neither team being able to score in thirty-five minutes of hard playing. The game was a wonder and excited huge interest. It was a splendid appetizer for today's event.

These are they who today adorn the football field at Punahou:

## CHANCE FOR AL KAUFMAN

SAN FRANCISCO, October 23.—If Al Kaufman wants to fight Sam Langford, the Eastern colored middleweight, Jimmy Coffroth is willing to stage the match, probably on New Year's day, as Thanksgiving day is so close at hand that it might be hard to arrange a card that early. The burly ex-blacksmith is supposed to be headed for San Francisco, and as the dispatch that contained this news also said that Kaufman was dicker for a big fight on the Coast, this may be the match he had in hand. Some days ago Coffroth had a letter

from Delaney, in which the manager told of the ease with which Al had cleaned Bradley. Billy also said that a Kaufman might have several other fights in the East and then he would like to return home and fight some one in San Francisco.

"If Kaufman will fight Sam Langford I will give him a match," was the reply that the Mission-street promoters sent by wire to New York city. He has had no word from Delaney, but as the veteran trainer is gunning for big game, he might be willing. Although Langford is a middleweight, he has been fighting heavyweights in the East, and if the inducements were sufficient would probably be coaxed to come to San Francisco.

No one, not even Coffroth, places any support in the story of a prospective fight between Abe Attell and Jim Driscoll. In the first place, as was an-

## THE SUGAR YIELD

The statement of sugars produced between October 1, 1907, and September 30, 1908, shows a total of 521,123 tons for all the islands, divided as follows:

Hawaii, 180,159 tons; Maui, 122,629; Oahu, 137,013; Kauai, 81,322. Alexander & Baldwin, as agents, head the list with plantations totaling 107,900 tons, and the Hawaiian Commercial & Sugar Company, one of their properties, gave a total of 56,150 tons for the season, the largest ever produced by a plantation. Oahu Plantation is next with 35,320 tons and Ewa Plantation third with 33,919 tons.

SO WOULD OTHERS.  
Little Freddie was told by the nurse one morning that the stork had visited the house during the night and left him a little baby sister, and asked if he would like to see her.  
"I don't care nothing about the baby," said Freddie, "but I'd like to see the stork."—The Delineator.

nounced yesterday in the "Chronicle," there would be little chance of a Thanksgiving day fight, and hardly any at all since the weight condition that has been imposed by Attell.

Driscoll, according to all accounts, is hovering between the feather and lightweight classes. According to Owen Moran, the best that Driscoll can make is 126 pounds, and Tiv Kreling, who has seen Driscoll, says about the same thing.

BASEBALL GAME.  
The Young Ilianiwals will play with the Eagles at Atkinson Park at 2 o'clock.

The line-up of the Young Ilianiwals will be as follows:

J. Neves, p.; R. Martin, c.; J. Rodrigues, 1b.; E. Munzel, 2b.; J. Gomes, 3b.; J. Aruda, r.f.; A. Silva, c.f.; P. Neveno, l.f.; J. Correa, s.s.

## A SURGICAL OPERATION

If there is any one thing that a woman dreads more than another it is a surgical operation.

We can state without fear of a contradiction that there are hundreds, yes, thousands, of operations performed upon women in our hospitals which are entirely unnecessary and many have been avoided by

**LYDIA E. PINKHAM'S VEGETABLE COMPOUND**

For proof of this statement read the following letters.

Mrs. Barbara Base, of Kingman, Kansas, writes to Mrs. Pinkham:

"For eight years I suffered from the most severe form of female troubles and was told that an operation was my only hope of recovery. I wrote Mrs. Pinkham for advice, and took Lydia E. Pinkham's Vegetable Compound, and it has saved my life and made me a well woman."

Mrs. Arthur R. House, of Church Road, Moorestown, N. J., writes:

"I feel it is my duty to let people know what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female troubles, and last March my physician decided that an operation was necessary. My husband objected, and urged me to try Lydia E. Pinkham's Vegetable Compound, and to-day I am well and strong."

**FACTS FOR SICK WOMEN.**

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, and backache.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

AN INQUIRY ANSWERED.  
A gentleman at Bembesi, Rhodesia, writes to inquire where Chamberlain's Cough Remedy can be procured. He says he has learned of the good effects resulting from its use and as children in that locality are often subject to coughs, he desired to give it a trial. This remedy may be procured from any store or chemist. For coughs, colds and croup there is nothing better, and as it contains no injurious substance it can be given to the smallest child with perfect security.
